PRESS RELEASE

WESTLAKE VILLAGE READS KICKS OFF ON JANUARY 11 WITH THE THEME "OPTIMIZE YOUR BRAIN, A SMART READ"

During the months of January and February, the City of Westlake Village, the Westlake Village Library, and the Friends of the Westlake Village Library are co-sponsoring the 5th annual "Westlake Village Reads", a One-City-One-Book program. This year's theme, "Optimize Your Brain, A Smart Read" will focus on the human brain. The City and Library will be presenting seven "stimulating brain" programs for residents of all ages. All programs are free of charge, open to the public, and held at the Westlake Village Civic Center located at 31200 Oak Crest Drive. Please note that seating is limited and available on a first-come basis.

The Library will be featuring a variety of "Brain" themed books including both adult and children book titles. Residents are encouraged to select titles that fit their personal interests throughout the two-month program. The Friend's *Book Nook* will be creating a special "Brain" section for residents that wish to purchase a book to read along with the program.

"Westlake Villages Reads" was created to encourage reading throughout the community for readers of all ages. For a detailed program schedule and further information about the program, please visit the City's website at www.wlv.org and click on the "Westlake Village Reads" icon or call City Hall at 818-706-1613.
