Lindero Canyon / 101 Freeway Bridge Project

## Nearing Completion

Although the Lindero Canyon/101 Freeway Overpass with its mural, lighted pedestrian pathway, new landscaping, and additional travel lane in each direction appears complete, there is one more component of the project to be finished. Sometime in the next few weeks when temperatures increase to allow for proper asphalt curing, a new asphalt overlay will be applied to the roadway. This work will take place during the evening hours to

avoid daytime disruption to residents. It is anticipated that the overlay will be complete by mid-February barring any additional weather delays. To receive a text or e-mail update regarding this last phase, please visit the City's website and sign up for the "Lindero Canyon/101 Freeway Bridge Updates" notification under "Notify Me." Residents may also contact the City's Engineering Department at 818-706-1613 for additional information.

## Transportation Options Throughout the City and Surrounding Areas

The City's unique location along the LA/Ventura County border affords residents a variety of public transportation options. The LA Metro 161 bus service runs between the City of Thousand Oaks Transportation Center on Rancho Road and the Warner Center Transportation Hub multiple times per day.

Once riders reach either transportation center, additional transportation opportunities such as the Metro Orange Bus across the San Fernando Valley, light rail throughout Los Angeles County, and buses to all areas of Ventura County including the Amtrak station in Moorpark, are available. With stops in the cities of Agoura Hills, Calabasas, and Thousand Oaks, the Metro 161 creates an easily accessible shuttle throughout the Conejo Valley and beyond.

Riding the Metro 161 is easy. There are several stops along Lindero Canyon Road and Thousand Oaks Boulevard. One-way bus fare is \$1.75. Metro offers discount rides for seniors, disabled, and students. Additionally, Metro's TAP card lets riders pre-purchase their bus fare in weekly or monthly segments at a discounted rate through its website. These fares are then loaded onto the TAP card which can be used to ride any Metro bus or rail line. For more information on the LA Metro 161 or any Metro route, visit [www.metro.net](http://www.metro.net).

**Did you know that TO Transit, the City of Thousand Oaks Bus Service, stops in the City of Westlake Village?**

**The TO Transit Blue Line stops daily at Lakeview Canyon Road and Agoura Road. The route connects to the Thousand Oaks Transportation Center. Fare is \$1.50 each way. Westlake Village Dial-A-Ride card holders ride for free.**

**Conejo Valley Community Concert and Jazz Band Will Perform on March 8 at Oaks Christian School**  
The Cities of Westlake Village and Agoura Hills co-sponsor the Community Concert and Jazz Band as part of a continuing effort to provide cultural programs to the community. This year's Community Concert Band's spring performance will be under the direction of Matt McKagan and will provide a wide selection of music performed by musicians of all ages. This free concert will be held in the Bedrosian Pavilion located on the Oaks Christian School campus (31749 La Tienda Drive) at 4:00 pm. Residents interested in joining the band should contact Nick Newkirk at the Agoura Hills Recreation Center at 818-597-7361 for additional information on the program.

# CityCare

## Empowering Residents For Six Years

Since its launch in 2009, the City of Westlake Village's CityCare program has provided residents the opportunity to report any maintenance or service concerns 24 hours a day/7 days a week to the City. CityCare asks residents to assist City staff by being the "eyes and ears of the community." Examples of items residents may report using the CityCare program include broken sprinklers on public property, street light outages, street repairs, and graffiti. In 2014, the City received and responded to over 225 requests.

Making a CityCare request is as easy as calling, browsing, or clicking. Residents can call City Hall at 818-706-1613 to make a report. After-hours phone calls will be taken by an answering service and routed to the appropriate staff member. CityCare can also be accessed via the City website, [www.wlv.org](http://www.wlv.org). Residents on-the-go can use the CityCare app on their I-phone or Android device. The app can be found by clicking on the CityCare emblem on the City website.

# Westlake Village Reads

## "Nature" Theme Concludes With Four Additional Programs In February

### WESTLAKE VILLAGE READS

ONE CITY, ONE LITERARY THEME

- 🌸 Wednesday, February 4 at 12 noon

For more information about each program, please visit the City's website at [wlv.org/wlvreads](http://wlv.org/wlvreads) or call City Hall at 818-706-1613.

# Public Safety corner

## Free Cert Training To Be Held Beginning March 3rd

Los Angeles County Fire Department offers free Community Emergency Response Training (CERT) to residents several times a year. The 7-week class provides training in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. The upcoming CERT class modules will begin on March 3rd in Agoura Hills. The classes will meet from 6:30 pm to 9:00 pm in the Agoura Hills Civic Center Community Room located at 30001 Ladyface Court.

CERT graduates are encouraged to join the Westlake Village Disaster Response Team (WLVDRT). The WLVDRT is a volunteer group that provides community members with basic training designed to help them better care for themselves, their families and others in the community in the event of a disaster. Additionally, the WLVDRT recruits, equips, and maintains a well-trained citizen response team to aid the City in the event of an emergency. Members of the WLVDRT will be at the CERT training to provide more information on the Westlake Village team. If you are interested in taking the CERT courses or learning more about the WLVDRT, please contact, Kerry Kallman, Senior Administrative Analyst, at 818-706-1613. You may register for the free courses online at [www.fire.lacounty.gov/cert](http://www.fire.lacounty.gov/cert), by simply scrolling down to the Agoura Hills listing, then clicking on the "register" link.
