

## SCHOOL IS STARTING - REMEMBER TO TAKE EXTRA CAUTION OUT ON THE ROAD

As the beginning of another school year approaches, the City would like to remind drivers to use extra caution when out on the road, especially in the areas near Westlake Village Transit vehicles, crosswalks, and White Oak Elementary School. Access, circulation, and parking at White Oak Elementary School works well as long as everyone understands the system and complies with local traffic signs and markings. Parents with children who attend White Oak Elementary School are asked to familiarize themselves with the drop-off areas, turn restrictions, crosswalk areas, and general traffic flow prior to the start of school on August 24. Also, remember that the drop-off areas tend to be particularly busy the first week or two of school, so please try to arrive a little early (supervision for early drop-off is provided by the City and is available in the courtyard beginning at 7:45 am).

Over the years, the City Council's Public Safety Committee, City staff and school officials have met to review and update the morning drop-off procedures at White Oak Elementary School. Please take a moment to go over the traffic safety suggestions below:

- Observe the red zones and parking restriction signs. These restrictions have been established to improve visibility, reduce conflicts, and provide other safety benefits.
- Note there is a red zone on the street in front of the faculty parking lot. This is intended to improve safety by reducing the pedestrian traffic through the parking lot. Parents walking their children to school from the east should use the walkway on the east side of the parking lot. This walkway goes around the parking lot, thereby providing a path that avoids conflicts with moving cars in the lot.

- The faculty parking lot is to be used for kindergarten drop-offs only (no parking, even for a few minutes). Other students may be dropped off in the drive-through in front of the multi-purpose room or across the street from the kindergarten drop-off area.
- Try to plan your route so it is unnecessary to make left turns in the vicinity of the school zone. In addition to improving overall safety, this will reduce the delay experienced by you and other parents.
- Note that the drop-off area by the multi-purpose building is one-way so that the students can be safely dropped off directly next to the walkway. City-sponsored Traffic Aides will assist your child in/out of your vehicle during the morning and afternoon peak periods. When using the drop-off area, pull forward as far as possible to permit the most effective use of this area. This is one of the most important contributions you can make to reduce congestion and overall delay.
- There is no stopping or drop-off next to the frontage road median. Traffic arriving from the west may access the parking lot drop-off areas or use the curbside drop-off area east of Shropshire Court.

A little pre-planning and patience can help ensure the safety of all residents during these busy morning and peak traffic times.

## Transit Bus Pass Sales Have Begun

Residents will once again have the option to avoid traffic delays associated with drop-off/pick-up at White Oak Elementary, Lindero Canyon Middle, and Agoura High Schools by utilizing the Westlake Village Transit service. This City-subsidized program offers stops in all major neighborhoods and the three public schools that serve Westlake Village residents.

An annual round-trip bus pass costs \$238 and a one-way (morning or afternoon) pass is \$158. Bus passes can be purchased in one of three ways: (1) online via the City website and the pass will be mailed; (2) mail-in, forms can be downloaded from the City website (mail-in ends on August 12); or (3) in person at City Hall. Residents may also ride one-way without a bus pass for \$2.00. Additional information including bus routes, registration forms, and sign-ups for bus alert notifications can be found on the City website, [www.wlv.org](http://www.wlv.org) by clicking on the WV Transit icon on the left hand side.

# CITY RECOGNIZES THE CITIZEN, YOUTH, AND OLDER AMERICAN OF THE YEAR

Recipients of the Citizen and Youth Recognition Programs were announced at the June 27 and July 12 City Council meetings. Nominees for both the Citizen and Youth of the Year awards must be residents of Westlake Village and are recognized for making significant contributions to the City and for displaying a strong sense of volunteerism, civic pride, and commitment toward the betterment of the community.

The City Council selected Pam Johnson as the 2017 Citizen of the Year and Forbs West as the 2017 Youth of the Year. Each recipient received a commemorative plaque from the City and their names are now displayed on a perpetual plaque located in the City Hall Council Chamber. In recognition of these outstanding residents, a \$500 check was donated to the Casa Ventura County in Ms. Johnson's honor and Forbs will be using his scholarship money towards his college experience at Tulane this fall.

Additionally, the Los Angeles County Commission for Older Adults has asked cities to identify one older resident that exemplifies the spirit of volunteerism in their community. This year the City selected Bernie and Sybil Nisenholz to represent Westlake Village. On May 31, Bernie and Sybil joined their fellow award recipients at a luncheon at the Dorothy Chandler Pavilion.

## INSTANT EMERGENCY INFORMATION

In addition to posting important updates on the City's website ([www.wlv.org](http://www.wlv.org)), the City uses two other communication tools to inform residents of emergency related events.

**EMERGENCY ALERT TEXT MESSAGES** - Sign up to receive text message alerts from the City. These messages will be used for general emergency related information such as road closures, minor flooding, and road hazards. Visit the City website, [www.wlv.org](http://www.wlv.org) and click on the "Notify Me" icon on the left side of the home page.

**Connect - CTY EMERGENCY ALERTS** - The City's reverse 911 call out system is used for major emergency alerts such as neighborhood evacuations, flooding incidents, earthquakes, etc. All City landlines are automatically registered in the system. Residents are encouraged to add additional phone numbers such as mobile devices and office numbers to receive important emergency related messages from the City. To register, visit the City website, [www.wlv.org](http://www.wlv.org) and click on the Emergency Notification Services icon on the home page.

## PUBLIC SAFETY CORNER SEE SOMETHING SAY SOMETHING

The City and the Los Angeles County Sheriff's Department would like to remind residents that if they see anything suspicious in their neighborhood they should immediately report it to the Lost Hills Sheriff's Station. This includes vehicles that seem out of place, overly aggressive solicitors, and anything else that seems out of the ordinary. Too often when asked why they did not call, victims of a crime often say that they "didn't want to bother the police." Remember, the Sheriff's Department is here to serve you. In addition, residents should take steps to secure their home and vehicles by ensuring all doors and windows are locked and by not leaving valuable property in plain sight. The Lost Hills Sheriff's Station can be reached in one of two ways: (1) in case of an immediate or life threatening emergency, always call 911; and (2) for non-life threatening calls, dial the station directly at 818-878-1808.

**Hop Aboard the "Village Trolley" on Friday and Saturday evenings from 3:00 pm – 10:00 pm through September 2.**

## CITY WIDE FIELD TRIP

**Have you purchased a ticket for the Hollywood Bowl Night yet? They are going fast!**

Come join your fellow residents for a "Night with John Williams" for \$50 per head on September 3. Visit City Hall during regular business hours to fill out the order form or visit [www.wlv.org/fieldtrip](http://www.wlv.org/fieldtrip) to print out the form from home.
