The Westlake Village Trolley will be returning for a 4th year of service in the City. The free Trolley returns on Friday, May 25 and will operate on Friday and Saturday nights through Labor Day weekend. The Trolley begins its run at Westlake Village City Hall at 3:00 pm and concludes each night at 10:00 pm. With stops at all major retail centers, including the Shoppes at Westlake Village, hotels, breweries, and neighborhoods, the Village Trolley is a great way to get around town. Free, live entertainment onboard the Trolley only enhances the experience from 6 to 8 pm.

Riding the Village Trolley is easy. Simply hop on at one of sixteen stops and hop off whenever you want. The Trolley is outfitted with a GPS locator device allowing riders to use their smartphone to track the trolley's progress. The Trolley is not just transportation; it is a mobile City event perfect for residents and visitors of all ages. Check the City website for the up-to-date entertainment schedule. The Village Trolley is the smart and safe way to get to your favorite restaurant, park, or City special event. The Trolley rolls to Berniece Bennett Park for the three concerts in the park and the movie night this summer.
