

PUBLIC WORKS UPDATE

The next few months in the City will see multiple public works projects begin construction. While the City works very hard to minimize any inconvenience to drivers, cyclists, or pedestrians, some of the projects may require temporary lane, bike lane, or pedestrian pathway closures. Please make sure to be alert and read all signage as you drive around town and especially when in active construction areas. For updates on construction alerts, please sign up for the City's free street improvement update notifications by clicking on Notify Me on the left-hand side of the City website www.wlv.org or on the City's Facebook page.

Lindero Walkway and Beautification Project

Formerly known as the Lindero Linear Project, the Lindero Walkway and Beautification Project is scheduled to begin construction in September 2018. The project will include a meandering sidewalk, water efficient plants and vines, new trees, and an environmental bio-swale to help clean storm water that flows to the storm drains and eventually the ocean. The new plants and vines will help to screen the existing flood control channel and adjacent homes from the walkway and the street. During the construction period, there may be removal of selected plants and other vegetation, the existing pathway, and some trees to create new spaces and a wider pathway that can accommodate wheelchairs, strollers, dog walkers, and joggers.

When completed, this new project will allow residents to safely walk and jog along Lindero Canyon Road all the way to Agoura Road. Please note that the City will be sending additional information on the project to residents that live near the project area in the coming weeks. Please do not hesitate to contact the City's Engineering Department with any questions about this project.

Freeway Frontage Landscaping Project

Beginning this month, the City will be undertaking landscaping improvements along the southbound 101 Freeway within the Caltrans' right-of-way. The project extends from the Lindero Bridge to the City limit with Agoura Hills on the southside of the freeway. The project will include installation of mature trees and shrubs to beautify the area.

Street Improvement Project

The Annual Street Improvement Project is currently out to bid. The work is expected to begin early this fall. This year the street improvements will target the commercial areas of Russell Ranch Road, Via Colinas, Via Rocas, La Baya, Corsa Ave, Portola Court, and Sterling Center Drive. The work will extend into some of the residential areas of the Canyon Oaks neighborhood as well as the Three Springs entryway. In addition, some asphalt repairs will take place on Agoura Road. The City's Engineering Department will be providing outreach over the coming months through newsletters, community outreach, and door hangers. If you have any questions, please contact the City's Engineering Department at 818-706-1613.

NATIONAL NIGHT OUT AUGUST 7, 2018

Join the Lost Hills Sheriff's Deputies and your neighbors at Westlake Village's second National Night Out event. Come out and build community camaraderie, meet your local public safety personnel, and learn about some of the great things going on in the City of Westlake Village. The block party style event will be taking place at Three Springs Park (3000 Three Springs Drive, Westlake Village, CA 91361) from 6:00 to 8:00 pm. Light refreshments and snacks will be provided, however, feel free to bring a picnic to the park.

CITY RECOGNIZES THE CITIZEN, YOUTH, AND OLDER AMERICAN OF THE YEAR

Recipients of the Citizen and Youth Recognition Programs were announced at the June 25 City Council meeting. Nominees for both the Citizen and Youth of the Year awards must be residents of Westlake Village and are recognized for making significant contributions to the City and for displaying a strong sense of volunteerism, civic pride, and commitment toward the betterment of the community.

The City Council selected Mike Wildermuth as the 2018 Citizen of the Year and Nicholas Sage Morales as the 2018 Youth of the Year. Each recipient received a commemorative plaque from the City and their names are now displayed on a perpetual plaque located in the City Hall Council Chamber. In recognition of these outstanding residents, a \$500 check was donated to The Courage Foundation in Mr. Wildermuth's honor and Nicholas received a \$500 scholarship for his journey in college.

Additionally, the Los Angeles County Commission for Older Adults asks cities each year to identify one older resident that exemplifies the spirit of volunteerism in their community. This year the City selected Pat and Harry Croner to represent Westlake Village. On May 17, Pat and Harry joined their fellow award recipients at a luncheon at the Dorothy Chandler Pavilion.

SUMMER'S NOT OVER YET!

Residents of all ages are invited to join in on several exciting end of summer activities in the City.

AUG 10

TGIF at the Westlake Village Civic Center
7:00 pm

A musical evening with "The Rat Pack" featuring a tribute with Frank Sinatra portrayed by Vaughn Suponatime, Sammy Davis Jr. portrayed by Alfredo Miller, and Dean Martin portrayed by Russ Loniello.

AUG 25

Concert in the Park at Berniece Bennett Park
7:00 pm

"Abba Fab" Tribute to "Abba" Concert.

**SAVE THE DATE – CITY CELEBRATION
IS COMING ON OCTOBER 20!!**

SCHOOL IS STARTING - REMEMBER TO TAKE EXTRA CAUTION OUT ON THE ROAD

As the beginning of another school year approaches, the City would like to remind drivers to use extra caution when out on the road, especially in the areas near Westlake Village Transit vehicles, crosswalks, and White Oak Elementary School. Access, circulation, and parking at White Oak Elementary School work well as long as everyone understands the system and complies with local traffic signs and markings. Parents with children who attend White Oak Elementary School are asked to familiarize themselves with the drop-off areas, turn restrictions, crosswalk areas, and general traffic flow prior to the start of school on August 22. Also, remember that the drop-off areas tend to be particularly busy the first week or two of school, so please try to arrive a little early (supervision for early drop-off is provided by the City and is available in the courtyard beginning at 7:45 am).

Over the years, the City Council's Public Safety Committee, City staff and school officials have met to review and update the morning drop-off procedures at White Oak Elementary School. Please take a moment to go over the traffic safety suggestions below:

- Observe the red zones and parking restriction signs. These restrictions have been established to improve visibility, reduce conflicts, and provide other safety benefits.
- Note there is a red zone on the street in front of the faculty parking lot. This is intended to improve safety by reducing the pedestrian traffic through the parking lot. Parents walking their children to school from the east should use the walkway on the east side of the parking lot. This walkway goes around the parking lot, thereby providing a path that avoids conflicts with moving cars in the lot.
- The faculty parking lot is to be used for kindergarten drop-offs only (no parking, even for a few minutes). Other students may be dropped off in the drive-through in front of the multi-purpose room or across the street from the kindergarten drop-off area.
- Try to plan your route so it is unnecessary to make left turns in the vicinity of the school zone. In addition to improving overall safety, this will reduce the delay experienced by you and other parents.
- Note that the drop-off area by the multi-purpose building is one-way so that the students can be safely dropped off directly next to the walkway. City-sponsored Traffic Aides will assist your child in/out of your vehicle during the morning and afternoon peak periods. When using the drop-off area, pull forward as far as possible to permit the most effective use of this area. This is one of the most important contributions you can make to reduce congestion and overall delay.
- There is no stopping or drop-off next to the frontage road median. Traffic arriving from the west may access the parking lot drop-off areas or use the curbside drop-off area east of Shropshire Court.

A little pre-planning and patience can help ensure the safety of all residents during these busy morning and peak traffic times.

PUBLIC SAFETY CORNER SEE SOMETHING SAY SOMETHING

The City and the Los Angeles County Sheriff's Department would like to remind residents that if they see anything suspicious in their neighborhood they should immediately report it to the Lost Hills Sheriff's Station. This includes vehicles that seem out of place, overly aggressive solicitors, and anything else that seems out of the ordinary. Too often when asked why they did not call, victims of a crime often say that they "didn't want to bother the police." Remember, the Sheriff's Department is here to serve you. In addition, residents should take steps to secure their home and vehicles by ensuring all doors and windows are locked and by not leaving valuable property in plain sight. The Lost Hills Sheriff's Station can be reached in one of two ways: (1) in case of an immediate or life threatening emergency, always call 911; and (2) for non-life threatening calls, dial the station directly at 818-878-1808.

**Hop Aboard the
"Village Trolley"
on Friday and
Saturday evenings
from 3:00 pm – 10:00 pm
through September 1.**

WESTLAKE VILLAGE TRANSIT BUS PASS SALES HAVE BEGUN

Residents will once again have the option to avoid traffic delays associated with drop-off/pick-up at White Oak Elementary, Lindero Canyon Middle, and Agoura High Schools by utilizing the Westlake Village Transit service. This City-subsidized program offers stops in all major neighborhoods and the three public schools that serve Westlake Village residents.

An annual round-trip bus pass costs \$238 and a one-way (morning or afternoon) pass is \$158. Bus passes can be purchased in one of three ways: (1) online via the City website and the pass will be mailed; (2) mail-in, forms can be downloaded from the City website; or (3) in person at City Hall. Please note that any forms submitted online or by mail after August 15 may not arrive by mail in time for the first day of school. Residents may also ride one-way without a bus pass for \$2.00. Additional information including bus routes, registration forms, and sign-ups for bus alert notifications can be found on the City website, www.wlv.org by clicking on the WV Transit icon on the left hand side.
