

One Small Ask

WEAR A MASK

Our City has one small ask, please wear a mask! When you're out in public, always wear a face covering to prevent the spread of COVID-19. It's not only the law, it's the right thing to do. Want to join in the effort? You can use our "One Small Ask, Please Wear A Mask" profile picture frame now available on Facebook! Just type "frames" into the Facebook search bar and type in "One Small Ask, Please Wear A Mask" to upload it to your profile.

Flu Season and COVID-19

While it's not possible to say with certainty what the next few months hold in store, the Center for Disease Control and Prevention (CDC) believes it's very likely that flu viruses and the virus that causes COVID-19 will both be spreading. With everything else going on around us, getting a flu vaccine will be more important than ever. The CDC recommends that all people 6 months and older get a yearly flu vaccine.

Influenza (Flu) and COVID-19 are both contagious respiratory illnesses, but they are caused by different viruses. Because some of the symptoms of flu and COVID-19 are similar, it may be hard to tell the difference between them based on symptoms alone, and testing may be needed to help confirm a diagnosis. Flu and COVID-19 share many characteristics, and it is possible to have the flu, as well as other respiratory illnesses, and COVID-19 at the same time. It's critical we take every precaution we can to keep ourselves and our loved ones healthy, no one likes getting sick!

For more information on influenza and COVID-19 viruses, please visit www.cdc.gov.

WLV Census Response – 79% Complete

We're almost there Westlake Village! About 79 percent of Westlake Village residents have completed the 2020 Census Questionnaire, making us the highest response rate in the district, but we're not done yet. Now let's set our sights on completing that final 21 percent!

Completing the 2020 Census is quick and easy. The 10-minute questionnaire is safe, secure, and confidential. Your information and privacy are protected. Your response helps to direct billions of dollars in federal funds to local communities for schools, roads, and other public services. If you've already completed yours, help us spread the word by reminding your friends and

neighbors how much is riding on the census. You can fill out your form online at www.my2020census.gov or via phone by calling (844) 330-2020. Deadline to submit is September 30th.

We hope this newsletter finds you and your family safe and well. As California's experienced many wildfires this past month, we are reminded of the importance of being prepared. In October and November, as the Santa Ana winds begin to blow, the City Westlake Village and our region is most susceptible to wildfire. I would like you to know about an excellent wildfire preparedness toolkit called "Ready, Set, Go!" that you can use to better prepare and protect your home and family. The tool kit provides the resources needed to create your very own Wildfire Action Plan for your household. The Ready, Set, Go! tool kit is available on our City Website at www.WLV.org please take advantage of it.

Regarding COVID-19, I want to thank you for your patience, support, and perseverance. Our lives have been impacted in so many ways, but we will get through this together. I am often reminded that despite COVID-19 we are very fortunate to live and work in this great city of ours. As I regularly speak with residents and business owners, I am so grateful and hopeful for the strong sense community that exists here and know that we will overcome any challenge we face as a community. For frequent, useful, and local COVID-19 updates and resources, please visit www.ReadyWLV.org. Thank you!
