

# WESTLAKE VILLAGE BUSINESS PARK SPECIFIC PLAN

## Community Workshop Public Review Draft Specific Plan

Please join us for the final public workshop for the Westlake Business Park Specific Plan. The purpose of this Workshop is to present the Public Review Draft Specific Plan document, which was developed based on community input received at the first three workshops, and includes land use, urban design, circulation and parking, open space recommendations as well as implementation strategies for the Specific Plan area. Participants will have the opportunity to review and comment on the recommendations included in the Plan prior to the environmental review and public hearing process.

Your participation is important to creating a viable and successful Specific Plan. Be a part of this collaborative planning process!
