# WESTLAKE VILLAGE DISCOVERS: ADVENTURE

Saturday February 8, 2020 at the Westlake Village Civic Center

The City of Westlake Village in partnership with the Westlake Village Library and Friends of the Westlake Village Library present Westlake Village Discovers: Adventure!

Formerly known as Westlake Village Reads, this event aims to encourage continued learning and reading through a day full of interactive and educational programs for all ages.

This year's theme is adventure. All programs are free and open to the public. Come experience adventure near and far!

in Council  
Chambers

### The Antarctica Penguins Expedition! Presented by The Ocean Adventure

Join us on an expedition to visit the continent of Antarctica with ocean explorers Wayne and Karen Brown! Hear about their search for the amazing flightless ocean birds -- Penguins! Meet a life-sized replica, 3 ½ foot long, King Penguin!

11:15 a.m.  
in Large  
Community Room

### Conejo Open Space Foundation "Adventure in Your Backyard"

Join us for a presentation from the Conejo Open Space Foundation to learn about local trails, hiking and outdoor adventure. Speak with Park Rangers and discover what's waiting in your own backyard.

12:15 p.m.  
in Council  
Chambers

### The Nature of Wildworks: Animal Wildlife Show

Come face-to-face with foxes, owls, snakes and more with The Nature of Wildworks! Learn about exotic creatures from around the world and the importance of taking care of them. Discover the difference between domestic house pets and animals of the wild.

1:30 p.m.  
in Large  
Community Room

### Tarzan: The Centennial Celebration

Did you know Tarzan was written right next door in what is now called Tarzana? Learn about the history of the world-famous story and its author, Edgar Rice Burroughs with author Scott Tracey Griffin.

3:00 p.m.  
in Council  
Chambers

### "The Biggest Little Farm" Documentary Screening (Rated PG)

Apricot Lane Farms is a local organic and biodynamic farm situated just a few miles down the road in Moorpark. The farm's documentary "The Biggest Little Farm" takes us on the 8-year journey of a couple's dream to create a sustainable farm in harmony with nature.
